

May/June Y11 Timetable

Up until May half term students attend their normal timetable unless they have an exam, the exception being the afternoons of May 24th and May 25th when we will help the students prepare for their English or Maths exams the following day.

After half term students attend specific sessions depending on the subjects they study, the normal timetable is no longer in effect; they attend specific revision/support sessions relevant to their exam timetable.

Where the option is 'study time' we will put supervised rooms on in school where students can revise the subject of their choice.

After Morning exams we will ensure that Y11 get an extended snack bar to relax and re-fuel before any afternoon exams or lessons.

Before morning exams we will run exam breakfasts to help prepare the students.

After half term there are only two slots where there is nothing running in school and Y11 are free to go home or study in school. Those slots are; **Wednesday June 14th** after the Chemistry exam (unless they are in the History exam that afternoon) and **Thursday 15th June from 12pm** for all students.

After the Physics exams on June 16th the students will have their last day assembly and the rest of the day with their tutors. Dance and Technology students are welcome to attend at normal lesson times up until their exams although they will be on study leave by that time.

Any students who have not attended lessons after half term will not be welcome to attend the celebrations on June 16th.
