

Friesland School

5/9/18

OPEN EVENING FOR YEAR 6 PARENTS: Thursday 13th September 2018

Dear Parent/ Carer

The next step in your child's education is so important and it is our belief that Friesland School offers the very best opportunities. Please come along and join us on **Thursday 13th September** for our Open Evening. The evening will give you an excellent opportunity to view the different subject areas and the work of some of our current students. You will also be able to talk to staff and students as well as ask any relevant questions.

The evening will begin at 5.45 for 6.00 pm in the School Hall and Performing Arts Building with a short presentation about Friesland, our results, our Admissions Policy and all that we have to offer young people.

I would really encourage you to come and see what we have to offer your child both on the evening and subsequently during the normal school day should you wish to do so – there is no substitute for actually seeing a school during its working hours. Students at Friesland in 2018 achieved amazing GCSE results, in many cases making stunning progress across their five years with us. One in four of all grades achieved were the equivalent of the old *A/ A grades. More than 70% of our students achieved five higher grades including English and mathematics. Attainment for the third consecutive year was the best the school has ever achieved.

I hope you will be able to join us for what is a very important evening and I look forward to meeting you.

Yours sincerely

Mr Peter Monk
Headteacher
